Synopsis

Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the "Blessing Book" • Revelation offers every believer a dramatic and hope-filled overview of what the end of the age will be like. Some people think Revelation is confusing, or even scary, with all its talk of dragons and beasts. But it gives us a proper understanding of where history is headed that will empower us to live boldly as eagerly expect the return of King Jesus as the triumphant Lamb. As Adrian Rogers will show, the signs of the times already reveal God's plan for bringing his people into full redemption. And we can see them even in our time.

Customer Reviews

Adrian Rogers recently passed away, and with him, some of the finest teaching skills in Christendom. His Revelation is one of the best books on the subject. His strength is talking to the reader--not at the reader. If you want Revelation in-depth, you might seek out "Revelation for the Complete Idiot". If you want a scholarly work, read Mounce. If you want a teenager-oriented (or brand new believer, or teacher) book on Revelation, there is nothing better than: "Dragons,

Grasshoppers, & Frogs!" by Jerry L. Parks. But if you want a conversational-style commentary--one with wonderful alliteration (which Rogers was the best at!) look no further than this book. You will not be disappointed!

The book lives up to its title. Dr. Rogers unveils for us a portrait of Jesus Christ in the book of Revelation which is so different from the Gospels, the Epistles or the Old Testament. We are familiar with Jesus Christ as he was presented in the Gospels as a meek and lowly Lamb which takes the sin of the world: and that is crucial. But to be content with that picture of Christ is to deny the Bible's whole teaching about the person of Jesus Christ. The book of Revelation as Dr. Rogers explains it lifts up Christ to the glory and majesty he truly deserves. Once you read this book, you will disabuse yourself of the fear and trepidation about the Great Tribulation and instead, you will see and know Jesus Christ in a different light. Reading this book is like holding up a diamond to the light to see all of its beautiful facets. Read and study the Old Testament to see the richness of the promise of Christ as Messiah; read the Gospels to know Christ as Savior; read the Epistles to know Christ as Lord; but read this book to understand the Revelation of Christ as Judge and King. This book is truly uplifting. The message of the book will fill you with hope and with expectation of meeting Jesus Christ when he comes in his glory! Hallelujah!

This book has been anything but dry, wordy, or confusing. The Holy Spirit has used Adrian Rogers mightily and has shown me a great deal in this last chapter of the Bible. I pray for Dr. Rogers and the wonderful ministry God has entrusted him with. God bless you.

I have read every book Adrian Rogers wrote. I was sorry to hear he went home to be with our Lord Jesus our Savior in 2005. I read he died in a car accident in 2005 in North Texas. His son Steve seems to have picked up where his father has been. I highly recommend going back and reading every book he has written! Thank you! God bless us all! Amen!

I have read this book and plan to read it again. I have recommended it to many people. The two pastors that I have talked to about it have said they thought it to be a good book. I plan to get more of them to give to friends and family.

More Than Superior GOD Continues To Use This Great Man GOD His GOD Given Ability That Brings Love Honor Glory To GOD THE FATHER in CHRIST JESUS HIS SON Pastor Dr. Adrain

Rogers NEVER Brought GLORY To himself ONLY To GOD THE FATHER in CHRIST JESUS HIS SON YES Thank YOU JESUS Come To JESUS Psalms139

I have always enjoyed Brother Adrian Rogers in both sermons and his books. This book helps you to understand the Book of Revelation better. There are many books about the book of Revelation, but Brother Rogers makes understanding so much better. I would recommend this book to anyone like me who deeply wants to learn.

I have studied the book of Revelation before with my Pastor's church group and Adrian's views are similar to ours although not exactly like it. It does however give me comfort knowing that God is in complete control in the End times.
