Illustrated Microsoft Office 365 & Office 2016: Introductory, Loose-leaf Version (Illustrated Series)
**Synopsis**

Whether you’re a computer rookie or hot shot, you can master Microsoft Office 2016 applications quickly with ILLUSTRATED MICROSOFT OFFICE 2016 & OFFICE 365 INTRODUCTORY, part of the popular Illustrated Series. Using a focused, user-friendly format, a two-page layout allows you to work through an entire task without turning the page. The book’s easy to follow presentation highlights Learning Outcomes that outline the skills in each lesson. Larger full-color screen images reflect exactly what you should see on your own computer. Each module begins with a brief overview of the principles of the lesson and introduces a case study for further application. New Productivity Apps visually introduce Microsoft OneNote, Sway, Office Mix and Edge using fun, hands-on activities. Companion Sways provide videos and step-by-step instructions to help you master each app. In addition, MindTap and SAM help you further focus your study for results now and success later on the job.
