It brings me tears looking through this. As my parents remember 1963 and JFK, I will remember 911. Marvel did a fantastic job through its illustrations of portarying the brave men and women involved in this tragic event. It is an illustration that brings goosebumps to its viewers. I purchased two when the were first published and will hand down to my children. Should you ever get a chance to own especially if you are involved in emergency services and/or involved directly/indirectly in 911, do not hesitate in grabbing this edition.

An historic, must-have comic for any serious collector, student of history, media, or contemporary politics. At times, it has moved me to tears, meditation, and ultimately hope - could not recommend more highly.

It was Packaged nicely and there was no damage to the products... It was a challenge to get open but I suppose that means that it was packaged well... Thank you

Comic was exactly what I was expecting. Thank you
