## Customer Reviews

This guide is great for all those who use the Christian Prayer or Liturgy of the Hours book. Just look up the day and it gives you all the pages you will need for the day. I really like it because you don't have to guess what the prayers are for each day.

Handy to have when the occasion comes and you are lost. It shows you where you should be each day in the Christian Prayer. I buy the new one each year.

What can you say about a little printed book? No typos noticed so far; it fits in the breviary. A must for anyone saying daily office with the one-volume Christian Prayer breviary.

I use this guide to help me remember where I am supposed to be in the Christian Prayer version of the Liturgy of the Hours. I can't do my prayer without it!

This publication is God sent for the lay person seeking to pray the Divine Office. I highly recommend "Guide for Christian Prayer."

The prayers and readings are great for this guide for Christian Prayer. It keeps you right on track for daily and hourly prayer to God.

A very helpful, must have for use with my Christian Prayer (Liturgy of the Hours) Book.

I hope they never stop making these, I would be lost in my daily reading without it.
