# Wilma Sin L mites: Como Wilma Rudolph Se Convirti  En La Mujer M s R pida Del Mundo

## Synopsis

The Spanish-language edition of *Wilma Unlimited*. Before Wilma Rudolph was five years old, polio had paralyzed her left leg. Everyone said she would never walk again. But Wilma refused to believe it. Not only would she walk again, she vowed, she'd run. And she did run--all the way to the Olympics, where she became the first American woman to earn three gold medals in a single olympiad. This dramatic and inspiring true story is illustrated in bold watercolor and acrylic paintings by Caldecott Medal-winning artist David Diaz.

## Book Information

Grade Level: Preschool - 3

## Customer Reviews

I got the original English version and several of the Spanish translation to give as gifts during Career Day at my son's school. The book is well written and the translation is actually decent. It's a very uplifting story of will power and perseverance. The teachers were delighted!
