Young Wards Vol.1: The Kids Are All Right

Synopsis

In a universe where most of the superheroes are gone, a younger generation is stepping up to assume the mantle of those that came before. There's Moonshot, a space age teen who has a hero's blood running through his veins (literally). Waterjock is an Olympic swimmer who swam through Green Glow and got powers of the liquid variety! Kid Macabre is a teen who is infected by a zombie virus and finally, Dorian, the Teen Owl, is the computer hacker genius who just happens to be the boyfriend of the team's unofficial leader, Green Owl--who was just a sidekick himself not long ago! In a world with more than its share of villains to fight, the YOUNG WARDS may be inexperienced, but they're the only team of heroes ready and willing to take on whatever challenges come their way! Collecting YOUNG WARDS #1-2 and MOONSHOT #1.

Customer Reviews

Nice story graphics are okay

I didn't make it past the very first page. The story may be great, but it's basically drawn in MS paint.
