Adventures In Flatfrost (The Kingdom Of Wrenly)

Synopsis

Prince Lucas and Clara venture to the land of the giants and train Ruskin to control his fire in this fifth chapter book in the fantastical Kingdom of Wrenly series. After a game of hide-and-seek, Prince Lucas and Ruskin are in trouble again. They have melted all the ice in the castle, and the king is not pleased. He sends Lucas and Ruskin to Flatfrost to fetch more ice from the giants who live there. High in the snowy mountains, some new larger-than-life friends lend a helping hand as Lucas, Clara, and Ruskin learn to respect the hard work of others. With easy-to-read language and illustrations on almost every page, The Kingdom of Wrenly chapter books are perfect for beginning readers.

Gr 1â "3â "Eight-year-old Prince Lucas and his best friend Clara, the daughter of the queen's seamstress, are no strangers to adventure. With Lucas's pet dragon Ruskin in tow, the courageous duo set out on more journeys, solving curses and searching for mysterious sea monsters, in these entertaining but tame, bite-size jaunts into the realm of witches, giants, and gnomes. Ideal for budding young fantasy fans and newly independent readers. --This text refers to the Hardcover

Jordan Quinn grew up in a fairy tale castle in England. It had a spiral stone staircase, a moat, and a dungeon. As a child she liked to play hide-and-go-seek and ride her beloved horse, Prince Charming. When she wasn't riding, she wrote stories about fairies, trolls, dragons, and wizards. Today Jordan lives on a ranch in California with her husband, son, and a golden retriever named Sir Toots-a-Lot. Robert McPhillips has been involved in a wide variety of projects over the years from illustrating greeting cards to animation, though he especially loves illustrating children's books. Robert makes his home in Wiltshire, England, with his wife, Sam.
