The Psalter Of The Blessed Virgin Mary

Synopsis

From Author's Preface For there is no doubt that from her nearness to you, you will become more devout, from contact with her you will grow more pure, from her embrace you will abound more in grace and be more resplendent in purity. That I may give you an occasion of obtaining such great gifts, I send you the Psalter of this most Holy Virgin, put together and composed indeed by my feeble intelligence, but with her grace and help; by means of it you will praise with divers hymns, now her virginity and chastity, now her fecundity and sanctity, now her clemency and bounty. You will be able to salute her as full of all grace, or as filled with all knowledge, or as illumined by all understanding and wisdom. There you will bless the Fruit of her glorious womb, the members of His holy body, and the prerogatives of His soul, bestowing all sanctity. There you will invoke the aid of all the choirs of angels to praise her, and of all the multitudes of holy men, the isles of the nations, the heavens, the beauty of all luminaries and of the whole world. There you will beseech her to destroy the power of your spiritual enemies, to obtain for you pardon of all your sins that she may render the great Judge propitious to you, that she may illumine your deathbed by her gracious presence, and obtain for you joy without end.

Customer Reviews

This is a very old resource used by Monks to pray to Our Lady. I have consecrated my life to the Blessed Virgin Mary (as did St. John Paul I I) and have struggled with how to pray to her. This is a fabulous way to do just that. Anyone who has dedicated their life to her, or just want to learn how to petition her to pray for us, this is a great help!!

While I concur with the other reviewers, and am glad to have this book available, I wish that a larger font size was used; this might only be a problem for my aging eyes. Additionally, it would be good to prevent the first line of a psalm starting at the bottom of a page (this happens a few times). Lastly, sometimes a blank line separates parts of a sentence as P.28, Psalm 61, and P. 32, Psalm 71.

I DOWNLOADED THIS TO MY KINDLE AND HAVE IT WITH ME AT ALL TIMES FOR CONVENIENCE IN READING AND PRAYER THE PSALTER

Beautiful!
