The Apostle Paul And The Christian Life: Ethical And Missional Implications Of The New Perspective

Synopsis

The "new perspective" on Paul, an approach that seeks to reinterpret the apostle Paul and his letters against the backdrop of first-century Judaism, has been criticized by some as not having value for ordinary Christians living ordinary lives. In this volume, world-renowned scholars explore the implications of the new perspective on Paul for the Christian life and church. James D. G. Dunn, N. T. Wright, Bruce Longenecker, Scot McKnight, and other leading New Testament scholars offer a response to this question: How does the apostle Paul understand the Christian life? The book makes a fresh contribution to the new perspective on Paul conversation and offers important new insights into the orientation of the Christian life.

Customer Reviews

Very insightful, great read. One of those books you'll keep going back to as you learn and re-learn the amazing canvas of God's missional mystery.

Good condition. Interesting content.

Interesting book.
