Core Scramble Volume 1

Synopsis

In a world plagued by monsters swarming through portals from other dimensions, a brave group of soldiers called Clarus Orbis battles the otherworldly threat. Unfortunately, when you're an average grunt like Chaeun, survival becomes a daily ordeal, especially under the reckless leadership of his sexually arrogant commander Gayoon. Abandoned on the battlefield by the handsome Gayoon, Chaeun desperately fights off an endless bug onslaught only to be rescued by the mysterious renegade leader Moonhoo. At first, the man playfully flirts with Chaeun, but slowly the realization dawns that Moonhoo and his Core Hunter group have insidious ambitions on the dimensional portals. And only Chaeun and his hot-tempered leader Gayoon stand in their way.

Customer Reviews

it was very different from lot of mangas I'm use to. The different characters that are a little mean and some that are loving and show that care. But don't forget about the halls and bugs too, and how some of the humans were fighting the good guys too. It is a really cool story. Can;t wait to the next volume.

I received a free copy from NetGalley in exchange for an honest review. I really enjoyed reading Core Scramble. I was a little lost at first trying to figure out what was going on but was able to pick it up once the back story was revealed. I'm interested to see how the relationship plays out between Chaeun and Moonhoo since the two men are on opposing sides of the fight against interdimensional bugs. The artwork was pretty decent except for the fact that all the men and even some of the women looked like slight variations of each other. I'm still giving the book 5 stars because I really enjoyed the story and look forward to finding out what happens next. Also, this was one of the better English translations of a graphic novel I have read in awhile.

I typically read sci-fi and romantic fiction books of all types so when this book popped up in my suggestions I wasn't sure what to think. I read it, then immediately went back to re-read it, I may have read it 3 times in a row! Cannot wait for the 2nd and 3rd to be translated.
