The Mysticism Of Paul The Apostle (The Albert Schweitzer Library)

Synopsis

Immediately after the Gospels, the New Testament takes up the history of the early Christian Church, describing the works of the twelve disciples, and introducing Paul, the man whose influence on the history of Christianity is beyond calculation. Teacher, preacher, conciliator, diplomat, theologian, rule giver, consoler, and martyr, his life and writings became foundations for Christianity. Paul inspired a vast, serious, and intelligent literature that seeks to recapture his meaning, his thinking, and his purpose. In his letters to early Christian communities, Paul gave much practical advice about organization and orthodoxy. These treated the early Christian communities as something more than a group of people who believed in the same faith: they were people bound together by a common spirit unknown before. The significance of that common spirit occupied the greatest of Christian theologians from Athanasius and Augustine through Luther and Calvin. In *The Mysticism of Paul the Apostle* Albert Schweitzer goes against Luther and the Protestant tradition to look at what Paul actually writes in the Epistles to the Romans and Galatians: an emphasis upon the personal experience of the believer with the divine. Paul's mysticism was not like the mysticism elsewhere described as a soul being at one with God. In the mysticism he felt and encouraged, there is no loss of self but an enriching of it; no erasure of time or place but a comprehension of how time and place fit within the eternal. Schweitzer writes that Paul's mysticism is especially profound, liberating, and precise. Typical of Schweitzer, he introduces readers to his point of view at once, then describes in detail how he came to it, its scholarly antecedents, what its implications are, what objections have been raised, and why all of this matters. To students of the New Testament, this book opens up Paul by presenting him as offering an entirely new kind of mysticism, necessarily and exclusively Christian. "There is at least one other point that Albert Schweitzer scores here... The hard-won recognition that divine authority and human freedom ultimately cannot be in conflict must never be taken for granted, and the irony that the thought of Paul has repeatedly been invoked to undo that recognition truly does make this insight one of 'the permanent elements.'" — from the Introduction

Book Information

Series: The Albert Schweitzer Library

Paperback: 440 pages

Publisher: Johns Hopkins University Press (November 9, 1998)

Language: English

ISBN-10: 0801860989

ISBN-13: 978-0801860980

Product Dimensions: 5.5 x 0.9 x 8.5 inches

Customer Reviews

Albert Schweitzer (1875-1965) was a Franco-German theologian, organist, philosopher, physician, and profound humanitarian. He was also the most noteworthy scholar on the "life of Jesus" of his day, and his 1906 book *The Quest of the Historical Jesus* is one of the few absolutely "indispensable" works in the field (which both conservatives and progressives agree about). In "Quest," after surveying all of the various "lives of Jesus" that had been written until 1906, Schweitzer gave his own views as well. This 1930 book expanded his earlier book, *Paul and His Interpreters*. He states in the Author's Preface, "My methods have remained old-fashioned, in that I aim at setting forth the ideas of Paul in their historically conditioned form... Just because Paul's mystical doctrine of Christ has more to say to us when it speaks to us in the fire of its primitive-Christian, eschatological, manner of thought than when it is paraphrased into the language of modern orthodoxy or modern unorthodoxy, I believe I am serving in this work the cause not only of sound learning but also of religious needs." He writes, "The fundamental thought of Pauline mysticism runs thus: I am in Christ; in Him I know myself as a being who is raised above this sensuous, sinful, and transient world and already belongs to the transcendent; in Him I am assured of resurrection; in Him I am a Child of God.
