The Biblical Guidebook To Deliverance

Synopsis

ACCESS GOD'S SUPERNATURAL POWER AND AUTHORITY TO DEFEAT THE DEVIL Many people are unconsciously living in bondage. Marriages are failing, drugs are rampant, pornography is everywhere, and even Christians have given up on God, the church, and themselves. The Biblical Guidebook to Deliverance provides you with the supernatural power and authority to fight your battles and be free from oppression. Full of scriptural, yet practical, teaching this book will help you learn how deliverance was part of Jesus' ministry in the New Testament, and how you have access to the same power enabling you to live free from the chains of sin. No matter what situation you are going through, God will give you His grace so that you can rejoice in freedom and live in the fullness of life that He intends for you.

I found this book to be comprehensive in its scope of subtopics included under the main topic of deliverance. There were good summaries of each area or point included, including excellent real life examples from the author's own life and ministry and examples from other Christian minister's lives. Some of the topics discussed were, what deliverance is from a biblical theology standpoint, history of deliverance in the church, who the devil is, signs of demonization, inner healing issues related to deliverance, the connection to the occult, the connection to freemasonry (and renouncing prayers for each level), and guidelines on how to minister deliverance. Each area had good explanations but also each area could have been (and has been) expanded into whole

volumes of books. Mr. Clark did recommend a few books for further study in the beginning of this book. I especially liked Mr. Clark's style of writing that was so genuine and authentic. I could really relate to some of his points and they would make me laugh out loud, not out of disrespect but out of understanding. I also especially liked all of the real life examples from his own life. This helped to make, *The Biblical Guidebook to Deliverance*, a book of experience and wisdom and not just a book of theories. Notable quotes: In Greek the same word is used for all three categories, but in English we try to use several words: possessed, oppressed, obsessed. John Wimber believed that it is better to use one word, demonized, with the understanding that it can mean from mild to severe.
