Customer Reviews

We own all the Baby Blues books. The parents & kids in the strip are funny because they’re grounded in the loud, smelly, dirty, loving, sleepless, happy reality of having & raising children. The strips are mostly outright hilarious. They are sometimes poignant, but never sappy or preachy. There is no overarching "soap opera" filled with angst, as is found in many similar strips. These strips are just fun, funny, funniest. Our elementary-age son loves them, also.

As always, the Baby Blues comic strip shows the hysterically funny ups and downs of parenting. As
a mother of three, I have to laugh at the crazy things the MacPherson kids do and say...some of them are all too familiar. Zoe, Hammie and Wren do an excellent job of keeping their parents Wanda and Darryl on their toes. A great book...a funny one...I hope baby Blues continues for a long time.

Another great collection - this one is especially fun because there are author comments with several of the strips. Love the insight! Lots of laughs!

I am enjoying this book now. I love it and that Wren is finally walking and talking is great. Would buy from this seller again. AAAAA+++ 

Love this series. The characters are funny and remind me of my kids when they were little. Highly recommended for a light, fun read
