Synopsis

PROOF OF LIFE is book four of the Christian romance series, BLACKTHORPE SECURITY by Kimberly Rae Jordan. Follow the lives of the men and women working for BlackThorpe Security as they face the challenges of life, faith and love. The BlackThorpe Security series is a spin-off from the Christian romance series, The McKinleys. If you haven't read those yet, check out book one which is currently available for FREE - THIS TIME WITH LOVE: A Christian Romance - and meet some of the characters who will continue to appear in the BlackThorpe Security series. Ever since leaving the military, Alexander Thorpe has devoted his life to BlackThorpe Security, the company he founded with his best friend, Marcus Black. When his past unexpectedly comes knocking, Alex struggles to shift his priorities and open his life-and heart-to someone he didn't even know existed. Rebecca Mackenzie thought she had a very valid reason for keeping her son from his father, but when her secret is revealed, she must face the past she ran away from fifteen years ago. Will Alex be able to surrender his need for control and take on the challenging role of fatherhood? Or will his regret and guilt drive away the two people he needs most in his life? Rebecca wants to hate the man who broke her heart, but she instead finds herself drawn to him. Will she be able to open her heart to Alex once again or will fear keep it safely locked away? As Alex and Rebecca struggle to deal with their unresolved past and the feelings that have once again risen between them, the search for Alana continues, leaving those involved grasping at straws. Stayed tuned for the next Christian romance book in the BlackThorpe Security series June 2016. Customer Reviews

Alex is shocked to meet his 14-year-old son, Jordan, but when his estranged wife, Rebecca, comes after Jordan, they soon learn to be a family. (Though reviews are inherently subjective, I prefer to provide some organization to my opinions through the use of a personal rubric. The following notes may contain spoilers.)

Plot and Setting: 4 -- Plot has unique elements and no major holes, but a few shaky bits and/or a slight lack of focus. The whole premise is, fortunately, unlikely to the point of being almost hard to believe. But it is handled well, and the Alana plot is incorporated in wonderful ways. Setting is clear and believable. Timeline may be a bit hard to follow. Slight confusion with how old they were at their last meeting. According to book 3, Melanie was 16 when abducted, and A & A are about 4 years older, so Alex was 20. They married soon after that, but in this book he seems to have been 19. Also a lot of stuff packed into a very few weeks.

Characters: 5 -- Relatable, realistic, interesting, dynamic characters. Alex and Rebecca married very young, with the added difficulty of limited means of contact. So while Alex suggested abortion as a reaction to the terrible things he had seen, Rebecca assumed he had changed into someone she didn't know. It's awkward when they meet again, but both are mature enough to not overreact to small things, and instead manage to talk things through and sort things out fairly sensibly and smoothly. Even minor characters have depth, as do the relationships between characters. Lots of strength in relations with Alex's family and work community.

Mechanics and Writing: 4 -- A handful of typos, punctuation issues, or word errors, but nothing that seriously hinders understanding.
