Another great book in the Zen Pig series. I'm grateful for our kids to be able to enjoy these stories and be exposed to the positive message! Thank you for writing another, Mark Brown. I love picking up these books and hearing my two year old ecstatically say "Zen Pig! Zen Pig!" A question for the author: When does Zen Pig 4 come out? And while we're at it... 5-10+ (I hope)? :)

In today's world it is so hard to get across that all that we have is all that we need. I worry about my child growing up, wondering why she doesn't have as much as others. I want her to know that it is because all you need to be happy is the sun, wind, and rain- the sound of music and fresh fruit in your hands! This book teaches that so well. Truly beautiful and a gentle reminder to us all.

Gratitude is the emotion that keeps us connected to our source of supply. To be grateful regardless

of the circumstances is the essence of happiness. Zen Pig 3 brings that message to life in a way that can easily be understood by children. As adults, I can think of no greater gift for us to pass on.

Zen Pig continues to teach us the importance of being content, to be thankful for even the smallest moments, and to look for joy.
