Customer Reviews

This is NOT a Christian book. It is a Jehovah's Witness book and therefore NOT Christian. The author and any potential readers need to take note of this. This is a perfect example of the dangers of the end times, i.e., deception and untruths thrust upon Christians who do not have a good

foundation in the TRUTH!! Michael is NOT Jesus!! This is a false teaching coming from a FALSE religion, in fact a cult. The deceptive manner in which this is written includes references to the CHRISTIAN BIBLE. Jehovah's Witnesses have no business quoting from a book they do not fully believe and support. DO NOT READ THIS, ANYONE, unless you want to find yourself in the wrong place after death. Want to verify what I've said? Do an Internet search like I did on, "since when did Michael become Jesus." Christians will get the correct answer. INFORM YOURSELVES! I really resent that this book has been placed among "Christian books" by !

Amazing book . Well written you thoroughly touched on the topic most Christians are afraid to talk about. Jesus is the same yesterday ,today and forever. He is our champion. highly recommend this book for anyone he wants to know more about the second coming of our champion .Our Lord Jesus Christ.

i love it.. keep me a wake for a while
