## Customer Reviews

Holy Spirit Come is a challenge to every believer to live in the presence and anointing of the Holy Spirit. This author takes Scripture's exhortation to heart, that those who follow Jesus are meant

to walk in the miraculous today. Reading this book's modern-day stories opens your eyes to the incredible things God is still doing through ordinary people. With all of its Scripture references and examples, this book would make a great group Bible study. It's also a compelling personal handbook on the Holy Spirit with chapters on the supernatural spiritual gifts. So glad I read this book! The publisher sent me a copy of this book in advance, in exchange for my honest review.

The subject of the Trinity and the Holy Spirit in particular can be such a mystery to most. The author clearly and concisely defines and clarifies the person of the Holy Spirit and how we can embrace, enter into relationship, and use the gifts that God offers through His miraculous indwelling. This is a great Bible Study book for a group or to use individually to refresh, edify, and bless the reader. Ms Bryson has a gift for being authentic and personally transparent in her writing and love for God in all His attributes. My spirit is always lifted when I read her work. I am grateful for her commitment to Christ and sharing His many blessings in her life.

This is such an easy to read guide into the gifts of the Holy Spirit. It's easy to follow as the author takes us through each gift, one at a time. I like the humble manner with which she presents the ways God has worked through her, in a way that reminds us every single one of us can experience these gifts. Or rather, receive these gifts to then use to help other people. She makes it clear that they are not just reserved for someone like her, as if she's extraordinary but that all of us as God's kids can receive. He may pick and choose different ones for each of us, yes. But that He wants to if we're open. So cool. I especially liked the itemized list of attributes and accompanying scriptures that went along with each gift she talks about. It allows for deeper study for those who want it.

Holy Spirit Come is a 5-Star book that answers many questions about living a Charismatic Christian life. If you have felt a tugging in your heart to do an in-depth study on the gifts of the Holy Spirit, I strongly recommend this one. The topics are presented in an easy to read format that will leave you yearning for more of Connie's inspirational books. It makes a wonderful gift for young graduates going out to find their niche in the world. A truly uplifting book for all!

A beautifully written book that helped me to feel more confident that I was indeed hearing from God. As I read each page, the certainty of how important it is to let the Holy Spirit live in us and work through us unfolded. The confusion and mystery of God's presence in our lives, is now much

clearer, thanks to this wonderful book. It is short, which I usually like, but I felt so much peace and calm while reading, I didn't want this book to end.

I always love Connie Bryson's books! I was so excited to read this latest one. I love how Connie relates spiritual lessons to real life experiences. She gives down to earth accounts on how you too can live and walk a more spirit filled life! I recommend this book to anyone searching for a more meaningful purpose filled life!

I just finished reading Connie Bryson's beautiful book Holy Spirit Come, at a moment in my life when I was thirsting personally for a deeper understanding of and connection to The Holy Spirit of God. Walking in the Spirit and truly dedicating my life totally to that walk has become a new focus of prayer in my life, so discovering Ms. Bryson's very personal and incisive book on the Holy Spirit and releasing of Spiritual Gifts has been a God Send. Her book is like a road map for seekers in the Spirit of truth, filled with encouraging real life stories to keep us going on the journey. I recommend it highly, even to beginners curious to know what the Holy Spirit is. Ms. Bryson is a gentle soul whose words will not disappoint! Go for it!

I love all the stories Connie shares in the book. Jesus really did mean for us to do his work here on earth. This book is such an encouragement to be bold and listen to the Holy Spirit prompting us to do his will. Very well written and easy to read
