The End Times In Chronological Order: A Complete Overview To Understanding Bible Prophecy

Synopsis

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

Do you believe we are living in the last days? Do you believe that the rapture of the church will be happening in this lifetime? What about what is happening in the Middle East in regards to the threats against Israel by her enemies and threats to "wipe it off the face of the Earth?" If you've never taken the time to read the Bible and gain some understanding of where we are at in regards to the fulfilling of Bible Prophecy, now is the time! I've gained some study in the past in the book of Revelation and in understand the symbolism found there but I had the opportunity to review, *The End Times in Chronological Order* by Ron Rhodes and found this to be an amazing study to work through. In fact, I got my husband involved and we literally dove into the Bible through this book working through not only the book of Revelation in the Bible, but the four Gospels of Matthew, Mark, Luke and John, but also 1 and 2 Thessalonians, 1 Peter, Romans, Daniel and Ezekiel just to name

a few. This book charts everything from how to understand the symbolism found in different books in the Bible, understanding context clues, figurative language and which passages to take literally. Ron does an exceptional job at showing us the history between the Old and New Testament passages including bringing Israel back into statehood in 1948 and the continual migration back of the Jews has been increasing at an alarming rate since then.

About the Author: Ron Rhodes, president of Reasoning from the Scriptures Ministries, is heard regularly on nationwide radio and is the author of Unmasking the Antichrist, Cyber Meltdown, and The Topical Handbook of Bible Prophecy. He holds a ThM and ThD degrees from Dallas Theological Seminary and teaches there and at several other seminaries. My Thoughts About The Book: I readily admit I am fascinated about Biblical Prophecy and devote a portion of my time studying it. The good news is that I can tell you we know the end of the story. We may not know when certain events such as the Rapture of the Church, the beginning of the Tribulation, the rise of the Antichrist, or the 2nd Coming of Christ will take place but we do know for certain that they are going to occur in the future.
