Reviews "immensely enjoyable" ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." Kirkus Reviews "a fantastic book that has enchanted me" Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" Customer Review "Written in a very simple way but with a profound message for both adults and kids." Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." Customer Reviews

Besides the bilingual part, this is a pretty pointless book. Really no story. Maybe good for a kid just learning to read, because it's so simple?

Lovely story and the illustrations are so cute too! My 8 month old son is also a bit young for the story, but sits through the whole book because there is just so much to look at. I also like that it's in english and urdu. The quality of the pages are superior to many paperback books my son owns as well. Even though he's pulled on the pages a few times they have yet to tear. I gave it 4 stars only because the print could have been a bit bigger. The words are just so small. Makes grandma hunt for her glasses! :)
