The Sea Of Monsters (Percy Jackson & The Olympians)
NOTE: This is a graphic novel Seventh grade has been surprisingly quiet for Percy Jackson. Not a single monster has set foot on his New York prep-school campus. But when an innocent game of dodgeball among Percy and his classmates turns into a death match against an ugly gang of cannibal giants, things get...well, ugly. And the unexpected arrival of his friend Annabeth brings more bad news: the magical borders that protect Camp Half-Blood have been poisoned by a mysterious enemy, and unless a cure is found, the only safe haven for demigods will be destroyed. In the follow-up to the wildly popular The Lightning Thief, The Graphic Novel, Percy and his friends must journey into the Sea of Monsters to save their camp. But first, Percy will discover a stunning new secret about his family--one that makes him question whether being claimed as Poseidon’s son is an honor or simply a cruel joke. Featuring a faithful adaptation by Robert Venditti, stunning artwork by Attila Futaki, and sumptuous colors by newcomer Tamas Gaspar, Rick Riordan’s blockbuster book comes to life in The Sea of Monsters, The Graphic Novel.

**Customer Reviews**

Gr 4-8 In this adaptation of Riordan’s novel (Hyperion, 2006), Camp Half-Blood’s borders have been...
poisoned, and Percy is off on a quest to find the healing Golden Fleece. The detailed, realistic art in full, rich color will appeal to fans of superhero comics: it is perfectly suited to the story’s many action and fight scenes, none of which depict graphic violence. Fans of George O’Connor’s “Olympians” series (First Second) may enjoy this similarly irreverent, action-packed view of Greek mythology. The text is succinct and witty, and there are many wordless scenes, including a few stunning pages in which Percy’s friend Annabeth encounters the Sirens. Both high in quality and sure to be popular, this is a first purchase. Lisa Goldstein, Brooklyn Public Library, NY SLJ” --This text refers to the Hardcover edition.
