Sofia The First

Synopsis

Meet Sofia, a little girl who lives a rather ordinary life. But everything changes when her mother, Miranda, marries the king. Overnight, Sofia becomes a princess, moves into the castle, gains a step-brother, a step-sister... and the ability to talk to her new animal friends thanks to a magical amulet! Now, life is anything but ordinary for Sofia the First!

Book Information

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (183 customer reviews)

Best Sellers Rank: #62,336 in Books (See Top 100 in Books) #23 in [Books > Children's Books > Growing Up & Facts of Life > Family Life > Stepfamilies](#) #171 in [Books > Children's Books > Geography & Cultures > Royalty](#) #2330 in [Books > Children's Books > Science Fiction & Fantasy > Fantasy & Magic](#)

Age Range: 3 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

My two daughters (ages 3 and 5) really love the new Sofia The First: Once Upon a Princess TV Movie that came out on Disney Channel at the end of 2012. It is a cute story with cute characters. I would say it is geared towards younger, Disney Junior age kids due to the simple story and ages of the main characters. The story introduces the King and new Queen (Sofia's mother), Sofia and her new Stepbrother and Stepsister, the Fairies who teach at Royal Prep Academy (Sofia's new school), the Castle Sorcerer (the bumbling bad guy), and several other characters. There is minor, Disney style conflict with the new stepsister and the castle sorcerer which gives the story a great plot. Cinderella even makes an appearance to help the newest Disney Princess. When we saw this book, we snatched it up for Christmas for our youngest. She really loves the book. We have been reading it every night. She sings the songs from the show when we get to the corresponding part in the book. As for the book. It is illustrated wonderfully. The art looks great and very similar to the art in

the TV Movie. The storyline is also a great adaptation of the TV Movie. It is much more brief than the movie as expected, but it hits all the major plot points perfectly. Fine details and extra scenes are excluded for brevity, but the story in the book doesn't feel like it is missing anything at all. It is the perfect length for a bedtime story and a good reading book for the 5 year old age range. It is done very well. Sofia The First items are relatively scarce at the moment since the main TV Series hasn't come out yet, but this is a great first Sofia book for your Disney collection. Highly recommended.
