Twice The Love: A Workbook For Kids In Blended Families (Helping Kids Heal Series)
**Synopsis**

Twice the Love is a workbook for children who are adjusting to a new blended family. Using the workbook, children are guided through the changes that are brought about when two new families are formed. Twice the Love helps children understand their feelings are normal and that accepting the new family structure is not betraying the former family structure. Ages 7-12, Softcover, 40 pages

**Customer Reviews**

This is the first resource I have found about blended families that makes sense to my kids. It covers all of the topics and feelings kids are going through in these situations. Would recommend to any school counselor.
Definitely seems targeted more for a child that is upset about the new relationships rather than a child who is just confused.

Very helpful
