**Customer Reviews**

I picked up this book on the release date and proceeded to finish it in three hours. Despite the fact that I was supposed to be cheering on my brother at his Little League game. And I regret nothing. If
you have not yet heard me fangirling about this series yet, well, you’re about to. Because "insert fangirl squealing here". I’ll admit, I wasn’t a fan of the idea of these books at the beginning. After all, in the VA series Adrian and Sydney weren’t really that big in my mind. I was a hardcore Dimitri/Rose shipper and found Adrian cute but in the way. Sydney I just didn’t find particularly interesting with Rose at the front and center. Bloodlines, I have to admit, was good. The Golden Lily? BETTER. I liked Sydney in Bloodlines. I loved her in The Golden Lily. I liked Adrian in Bloodlines. I LOVED HIM IN THE GOLDEN LILY. *Mild spoiler warning* Adrian turned into such a different person in this book. In the VA series especially, he was a big cliché of a slacker dude. In The Golden Lily, though, he really comes into his own. The depth that he shows and the personality past the snark and slacking was utterly amazing. Plus, it didn’t feel like this sudden turn around. Mead made me believe that this was really under there all along. I will never give up on Dimitri because HELLO SEXY but Adrian? HELLO ADORABLE MARRY ME NOW. I was really not expecting the Sydney/Adrian scenes to go like then did. I especially didn’t expect Sydney to get a boyfriend. That in itself was awkwardly adorable, but again DUDE IN THE WAY OF THE REAL LOVE. Mead, you love to torture us so. Adrian’s attempts to hang out with Sydney through subtle ruses was way too overt coupled with Jill’s apparent “crush” on Sydney, though.

After facing death by strogoi, Sydney is now back to her normal life, or whatever pass as normal with her latest mission. She poses as Jill’s sister (a moroi princess in hiding) along side with Adrian & Eddy (her supposedly brothers) and Angeline (their fictional cousin). Along with the merry gang are former strogoi Dimitri & Sonia, trying to discover why strogoi restored by spirit magic can’t be turned again. At first look it seems to be all fun but things gets complicated when a band of human attack Sydney and Sonia, wanting to kill the latter because “she’s an evil creature of the night”. What a mood killer! If you remember, Bloodlines had been a bit of a let down for me, but I’m happy to report that I think The Golden Lily was better! To my dismay, Jill still won’t be in danger in that book, which honestly bothers me because the whole mission was set to protect her from vindictive moroi who might want to kill her to remove Lissa from the throne, but this latest installment brought a lot of interesting elements to the table. Let me start by talking romance because surprisingly there’s a lot of it! Jill’s relationship with Eddy’s roommate Micah evolve, to Eddy’s dismay because he’s in love with her, but Eddy isn’t left out as new comer Angeline has it big for him. The whole situation would be hilarious if it wasn’t so pathetic. Poor Jill is completely blind to Eddie’s affections and his broken heart is hard to bare. On the other hand Angeline won’t miss an occasion to rub herself against him, oblivious to his disgust toward the whole thing. I could really picture his
discomfited expression, holding back eye rolls because it wouldn't be professional. This love square (?
