Inspired, encouraged, and equipped with some new tools and resources! Each chapter is presented by a leader in children's ministry. Some really spoke to my heart and others were good reminders of why we do what we do. Some gave practical insights on getting through the grit with a steadfast focus on Jesus the author and perfecter of our faith. Highly recommend!

The author's collection of some of the most qualified Children's Ministry leaders give us their expert opinions for effective training of our children. It feel greatly equipped an it is spurring me on to really focus on teaching first and foremost the Gospel of Jesus Christ. A terrific handbook that I am using with my church school teachers.

Wonderful book that our children's ministry team is going through together. We have only completed the first chapter and we love it!
