If You Were A Prefix (Word Fun)

Synopsis

If you were a prefix, you would always be at the beginning of a word. You could make "ordinary" EXTRAORDINARY or "lucky" UNLUCKY. What else could you do if you were a prefix?

Grade Level: Kindergarten - 4

Customer Reviews

Short enough to read aloud; clear writing and leads to follow-up hands-on lessons. Only reason not a "5" star, is that the illustrations are a little busy and scattered, but children like that when reading through the book on their own.

This is a great story for teaching prefixes and its sister book, Suffix, is also great. The illustrations are fantastic and help to "picture" the meaning of the words.

I used If You Were a Prefix with my second grade reading intervention groups. The book helped the kids understand what a prefix is. They really enjoyed the game at the back of the book which also works well as a memory game. I would recommend it to other teachers who teaching prefixes. Polly Bevil

My second graders enjoyed the story and have referenced the book several times when looking for

prefixes. The illustrations are fun and very detailed.

The book has a lot of repetition. The students had a good idea of what a prefix is after reading the book. Great pictures too!

Love this book! It really helped me to teach the meaning of certain prefixes to one of the children I tutor!

Love this book series for teaching affixes. Great examples and interesting to 5th graders.
