# I Thank God For This Day! (A VeggieTales Book) (VeggieTales (Candy Cane Press))

## Synopsis

A new musical book from the #1 children's faith-based brand! The Veggies know that it is fun to thank God for the good things He gives us! As Junior Asparagus, Laura Carrot, Annie, and others enjoy a sunny day in the park, they express gratitude for the things that make them glad. Children can push the button to sing along with the refrain of the 'Thankfulness Song.' This bright, joy-filled book will help children to recognize that there are many reasons to be thankful each day. Ages 2-5.

## Customer Reviews

My 3 year old daughter received this in her Easter basket and has played the adorable song over and over again while she looks at the pictures. This is the song she always wants me to look up on YouTube, that's why I bought it. It's especially nice because I can change the batteries once it bites the dust from all the button pushing haha!

This was a great book choice for mt 2 year old granddaughter. The book is easy for her to handle. The pictures are bright and inviting. The story itself is very meaningful and she likes it to be read over and over. Pushing the button for her to sing along, was just icing on the cake. Great but!!!

I highly recommend this fun Christian book that plays a beautiful catchy good tune when you press

the button that parents, grandparents, and family members will look forward to reading and children would love to hear over and over again. The print is big and words are very inspiring! My daughter and I are looking forward to reading it when my granddaughter is born in a few months!

The book itself is great and super cute with the song. However it arrived damaged and all the pages were stuck together. I sent it back for a refund. I will be very disappointed if they don't resolve this issue.

I bought this for my one year old son. Even though he doesn't quite comprehend the message of the song yet, it almost brings a tear to my eye as he listens to the song and a spirit of modesty and complacency comes over him due to the lullaby nature of the song.

Our 9 month old loves this sweet book! He loves the drawings and the music, and I love the message of thankfulness that he hears over and over again.

Excellent book for little ones, to teach them thankfulness and it also has fun illustrations for them to look at and a song for them to hear! Very sturdy book also.

My son loves this book and its song. The story is so cute and he listens to the song all the time. We love the VeggieTales and this book is one of our favorites!
