## Customer Reviews

Excellent mix of comics at a great price. Not one duplicate! Sure to find something for everyone in this mix. As a collector, I can say I was very happy to open the box, and even happier to see the selections. Great gift idea! I just ordered two more myself! Mine are clean and have no musty smells that some of these older lots contain. Well cared for, and well worth what I paid!

Wow you guys got me. lol i feel pretty stupid for ordering this now. i was worried that this would happen and sure enough it did. Other than a couple Lobo comics and a couple Cable comics there is nothing in here that i even recognize. One after the other of throw away comics. Oh and thanks for the C.S.I Miami comic and the Buffy the vampire slayer TV SHOW comic. Wth is that about. So yeah pretty unhappy with this order and unless you want crappy comics with only a couple recognizable titles then go ahead and order this waste of time and money.

Extremely disappointed. The description for this is very misleading... it mentions DC, Marvel, etc. publishers. Apparently, we got the "etc." special as there is not a single DC or Marvel comic in the lot. And, the ones we did get were terrible. Would not recommend.

I went in a little sceptical, having been disappointed by these package deals in the past, but I was pleasantly surprised by the quality and variety of books once I opened the box. There were plenty of "hidden gems" to be found, and I would grade just about every comic I received as "fine" or better, with the exception of two, which were over 50 years old. I would do this deal again in a heartbeat!

Not one comic publisher that I recognized....lots of promotional comics....not a marvel or DC in the box. and about 12 that were innaropriate for kids....but the description said as such. I would not buy again.

received order in 3 days,a full week early.got exactly what i expected. the comics are all in sleeves accept for 2.I don't know how grading works,but i would say they are fine to new.some look like they have never been opened.i'm going to order another one and after email with paul i know i won't get doubles. very very happy with order .and now i can share my love of comics with my kids.but these are not for young kids.it's not archie comics,but i'm sure you could request it.

I love these. My son is gonna have a cow when he sees them. I will be getting some more from you soon. Thank you and have a very Merry Christmas

Didn't expect to get any rare gems, but I also didn't expect to get 5 of the same book. Also doubles of 4 other books. Not happy.
