24.7.365: One Year In The Word
This is it! This is the year you’ll read your Bible through and then wonder why you’ve never read it all the way through before. Of course, it helps to crawl into Dwain Esmond’s head and watch how things play out from his inimitable perspective (go ahead, look it up!), which makes it almost painless! Seriously, you’ll encounter some people in the Bible who act just like people you know. People who asked hard questions and dealt with some of the very same issues you struggle with. And through it all, God’s tough decisions reveal a Creator deeply invested in His creation. (Yeah, God’s faced some pretty hairy situations too. Remember, He’s working with humans here.) So carve a few minutes out of your hectic schedule to spend some time in God’s Word every day. You’ll be blown away by how not boring it is!
Covers Microsoft Graph, Office 365 applications, SharePoint Add-ins, Office 365 Groups, and more (Developer Reference)
