Romance: Rebecca's Curse (Clean Contemporary Inspirational Christian) (Wholesome Contemporary Fiction)

Synopsis

Rebecca is thrilled to help her best friend plan her wedding; that is until she meets the best man, Sean Cooper. Handsome, self-assured, and perfect â “ just like her ex-boyfriend, whose verbal abuse left its mark on her self-esteem. Cursed with average looks and average figure, Rebecca feels she doesnâ™t quite measure up. So she wears her overly bright clothes and hair accessories, as armor - counting the days until she no longer has to face Sean. When Sean approaches his cousin, Andrew Barnes, with a business deal, he somehow finds himself roped into the role of best man. When he takes one look at Rebeccaâ™s neon colored butterfly hairclips, he is certain Andrew is punishing him for turning his back on him when his first wife left him. He doesnâ™t have time for a frivolous wedding, and certainly no time for the equally frivolous Rebecca, but he needs this deal. So he bites his tongue and agrees to endure the torture. As the wedding planning throws the unlikely couple together, Sean begins to see the real Rebecca, the one underneath all of the colorful display.

Customer Reviews

I was really impressed with the first short story in this series. This is the best set of books I have read. This series is a great way to get young readers into reading. I strongly recommend this as a good read. Easy read, another excellent story line that developed nicely. Interesting characters, and highly enjoyable.

At first I wasn't really that into this book. I didn't like the use of cliches and there are few cheesy lines. The story line isn't too unique, very typical. But as I kept reading through the writing seemed to work better. The story also became a bit more developed. With it turning into a series it seems that the development will continue as well. I also think the author did a good job of handling the story material. There are some corny parts and lines, but it didn't take away from the overall quality of the story. I'm happy and stuck with it.

I was really stock out of this story. While I'm reading this romanced I enjoyed so much and every chapter was interesting. If you're into romance book, you better have this book. It's a good way to spend your leisure time. A Keeper!!!
