Cowpoke Clyde And Dirty Dawg

Synopsis

Cowpoke Clydeâ€™s house was completely cleanâ€”heâ€™d even shooed off the horseflies: â€œThen right behind his cookinâ€™ pot, / he spied one thing heâ€™d plumb forgot: / olâ€™ Dawg, his faithful, snorinâ€™ friend, / all caked with mud from end to end.â€• Needless to say, Dawg wakes up and runs. The chase that followsâ€”with page-turn surprisesâ€”makes for a hilarious shaggy-dog story involving fleas, a hog, bribery, cats, deception, and a mule. The rhyming stanzas are pitch-perfect, Texas-style, and plumb near cry out to be read aloud. Austinâ€™s expressive acrylic and colored-pencil caricatures of Cowpoke Clyde and his menagerie are priceless. A storytime shoo-in!

Cowboy Clyde always wants Dirty Dog to take a bath. He will do anything to try and get him in the tub. No matter what Cowboy Clyde does, Dirty Dog always slips away. Will Cowboy Clyde ever get Dirty Dog to bathe? Read this hilarious book and you'll see! I would recommend this book to children of all ages! The book is funny and will keep everyone's attention.

Our boys (5,3, & 1) all giggle when Dad or Mom reads this books. Great illustrations, funny Western

slang writing, and a sweet ending. A must for the collection.

This book is catchy and alluring. The illustrations capture my 2.5 year old the entire book. She likes to comment on Cowpoke Clyde's reactions and it even helps her predict what's on the next page. This a solid book in terms of engaging the audience and enhancing preliteracy skills. I want more tales with Cowpoke Clyde!

My 6yr old grandson thought this was a very funny story.....he had a few good chuckles, which means everything to me! Making memories with my precious little guy :)

My 6 year old and I love this book. We love the illustrations and the rhyming is clever. I was able to read this book to my son's entire kindergarten class and even did it with a southern draw to make it more exciting. They loved really enjoyed this story. I first purchased a digital copy on my tablet but loved it so much that I ordered a hardcopy from .

This is a very cute book-the illustrations are great and I will keep long after the grandchildren no longer are interested! Little miss I know with read with western twang/slang! She loves books that she can use a pretend voice!!!!

It is a measure of how much my daughter loves this book that I have essentially memorized ALL of it. With fake Texan accent. My child has us read this to her EVERY night, and it's cute enough (illustrations and rhymes) that we're willing to do it. I will be buying copies of this for my friends who have kids.

I always buy a child's book and read it myself before I gift it. Cowpoke Clyde and Dirty Dawg make the top of my list. The rhyming is great and sometimes unexpected and the illustrations are top notch. All dog owners are familiar with their dogs ability to escape a bath, but Clyde stumbles on a new solution. Highly recommended.
